# East Prospect Newsletter – 4<sup>th</sup> Quarter 2014

Hello East Prospect! The Newsletter will highlight activities, opportunities, and news of our great town.

## **Christmas Lights**

We will be having our annual Christmas Lighting Contest. You do not need to fill out a registration form. All residents of East Prospect Borough are eligible. Please have your lights on at 6:00 PM on Monday December 22. This year's judge will be Ron Purcell. He will be travelling through the town looking for the best Christmas lights decorations. Win 1 of 5 cash awards while helping East Prospect to become a scenic stop this Christmas Season. You must be a resident of East Prospect Borough to win. The prizes will be awarded for Best of Show - \$75, Griswald - \$50, Spirit of Christmas - \$50, Honorable Mention - \$50, and Honorable Mention 2 - \$50.

## **Snow Renewal**

As a reminder: Every person in charge or control of any building or lot of land fronting or abutting on a paved sidewalk, whether as owner, tenant, occupant, lessee, or otherwise, shall remove or clear away or cause to be removed or cleared away, snow and or ice from a path of at least 24 inches width from so much of said sidewalk as is in front of or abuts on said building or lot of land. Snow and ice shall be removed within 18 hours after the cessation of any fall of snow, sleet or freezing rain. Any person who violates this ordinance will be subject to a fine of not less than \$100 and not more than \$600. If a person is in violation and neglects or refuses to comply, borough officials may direct the removal of the snow and ice, and the violator shall be charged the cost of the removal in addition to any fines imposed. The borough shall also be authorized to lien the property for the amount incurred for the violation.

Remember we have school students who walk to school each day, citizens who walk for exercise, and neighbors who need to safely walk on our sidewalks each day. Proper cleaning of your sidewalk is to everyone's benefit.

## **What should I do if Snow Emergency is declared in East Prospect Borough**

The snow emergency means residents must remove parked vehicles from streets marked "Snow Emergency" or they may be ticketed or towed. No warnings will be issued. Please also consider moving parked cars from streets not marked snow emergency to allow the snow plows to properly clean the streets.

The snow emergency was declared to help ensure the safety of the community by allowing the snow plows to properly clean the streets.

Residents with questions should contact East Prospect Borough at (717) 252-0177.

As a reminder, snow must be cleared from the sidewalks within 18 hours after the snow stops. Do not pile or discard snow on any public property, street right-of-way, sidewalk, alley or parking lot. Do not pile snow back onto cleared streets. Do not discard snow on another person's property without their permission.

## **Cherry Avenue Snow Plowing**

In order to have proper snow plowing of Cherry Avenue, all vehicles that park in the grass field need to be at least 5 feet from the road. If the vehicles are not 5 feet from the road the snow plow would need to push the snow in the other direction which would be toward the resident's garages / houses.

## **No Parking on Borough Avenues**

All of the Avenues in the borough are no parking. Please make sure your vehicles are not parked or partially parked on the Avenues. Our Avenues are small and need to be fully open for driving and for snow plowing.

## **East Prospect Playground**

I have recently received many positive comments about our playground and baseball field. I would like to encourage you to take advantage of these facilities. Streets and alleys can be very dangerous places for kids to play, but our playground is the perfect place for supervised play.

If you are interested in purchase 1 of the 14 trees that will be planted around the baseball field the cost will be \$300. The price includes the tree, planting and a nameplate.
