Personalized Playground Bricks

In response to all those who have inquired about having a personalized brick in the playground walkway, East Prospect Borough is now offering the opportunity to purchase your own personalized brick. The new bricks will be added to the playground walkway which will be refurbished in the spring of 2017. **Please see the attached order form.**

Town Speed Limits

As a reminder please obey all posted speed limits. Our speed signs have been setup at various locations throughout town. The information and pictures from the sign are sent to the State Police. Please take the extra time to follow the speed limits for the safety of our town.

Snow Renewal

As a reminder: Every person in charge or control of any building or lot of land fronting or abutting on a paved sidewalk, whether as owner, tenant, occupant, lessee, or otherwise, shall remove or clear away or cause to be removed or cleared away, snow and or ice from a path of at least 24 inches width from so much of said sidewalk as is in front of or abuts on said building or lot of land. Snow and ice shall be removed within 18 hours after the cessation of any fall of snow, sleet or freezing rain. Any person who violates this ordinance will be subject to a fine of not less than \$100 and not more than \$600. If a person is in violation and neglects or refuses to comply, borough officials may direct the removal of the snow and ice, and the violator shall be charged the cost of the removal in addition to any fines imposed. The borough shall also be authorized to lien the property for the amount incurred for the violation.

Remember we have school students who walk to school each day, citizens who walk for exercise, and neighbors who need to safely walk on our sidewalks each day. Proper cleaning of your sidewalk is to everyone's benefit.

Cherry Avenue Snow Plowing

In order to have proper snow plowing of Cherry Avenue, all vehicles that park in the grass field need to be at least 5 feet from the road. If the vehicles are not 5 feet from the road the snow plow would need to push the snow in the other direction which would be toward the resident's garages / houses.
