Mayor

Unfortunately I will be stepping down as mayor of East Prospect. It has been a pleasure serving this community and working with the many wonderful, self-sacrificing people of this town. I have always, and will always believe this is the best town in America to live in. I am moving a couple blocks outside of town, but my heart will always be in East Prospect. My last day as Mayor will be June 30th. The Borough Council will be looking for someone to finish out my term this year. The November election will determine who will be the Mayor for the next 4 years. I will be helping the best I can with the transition and helping the new Mayor get their feet on the ground.

Tax Collector

The tax collector will also be moving out of town. Please pay special attention to the School bills that go out in early July for whom and where to send your tax payments.

May God Bless America and your Family,

Mayor Daniel H Garner
