### **Council Meeting Date & Time Change**

With a new year comes changes. Our borough council will no longer meet on the first Tuesday of the month in 2020. Instead, we will be meeting on the first Wednesday of the month at 6 PM, except the first meeting of the year which shall be Monday, January 6 at 6 PM for the reorganization meeting. Meetings will still be held at 28 West Maple Street. Meeting dates for the rest of the year are as follows:

February 5	June 3	October 7
March 4	July 1	November 4
April 1	August 5	December 9
May 6	September 2	

### **Police Situation**

We have been receiving many notifications and complaints over the past several years about having to rely on the PA State Police in our borough and the desire for a local police department. Please understand that we have heard your concerns regarding this matter and have been working very hard over the past year to bring a local police department back to East Prospect. We reached out to 3 departments in the surrounding area, one refused to even consider working with us. One department gave us a reasonable price we thought we could work with at first, but the tax increase would have had to be extremely significant, twice the amount we originally thought it would have to be (basically it would have to be a \$200 increase on a property assessed at \$100,000) in order to pay for the department's services. Plus the department wanted a 5-year contract with a potential 3% increase every year. Not wanting to raise taxes that high and put the borough in a negative financial situation, the council tabled the proposal. So for now, we will continue to be policed by PA State Police. We are still looking into other options, there is a police service that only charges by hour (no base price) available to us. We will keep you updated as we find out more information.
