- Additional events are in the works!

## IMPORTANT REMINDERS:

- During winter weather, borough residents have 18 hours from the end of the storm to clear sidewalks. Snow may not be shoveled/blown into streets. Please be mindful of melting and refreezing.
- When warmer weather arrives, and it will some day, please be aware that borough ordinances prohibit blowing grass clippings onto borough streets. Additionally, yards must be maintained at a height no greater than 6 inches.

## MISCELLANEOUS NEWS :

- There have been several reports recently of items stolen from property and suspicious activity in various parts of town. Keeping porch or exterior lights on at night is a good deterrent. Inexpensive doorbell cameras can be purchased at stores like Lowes or Home Depot and can be registered at <https://york.crimewatchpa.com/lowerwindsortwppd/42207/webforms/camera-registry> Registering a camera assists police in solving a crime committed in your neighborhood.
- As a rural community, it is not uncommon to see unwanted rodents. Let's make our yards as undesirable to them as possible by keeping trash in appropriate, lidded containers and clear property of unwanted trash which they could make a home.
- Stray cats have been an issue in various parts of town. If you own a cat, you are responsible for its wellbeing, not your neighbors.
- We live in a diverse community with plenty of young people around. In warmer weather, the playground, basketball courts, and walking path are well used. In colder months, such activities are less desirable. Unless or until we see them do something illegal, let's give them the benefit of the doubt.
- A review of borough ordinances will take place in the coming months. You will be notified of any changes in the next newsletter.
